GRAND COUNCIL APPROVES \$2 REBATE FOR 2019 SOCIAL CARDS

At our October, 2018 meeting, Grand Council adopted a resolution to refund \$2 for each 2019 social membership card purchased from our office. Council recognizes the importance of our social memberships and their support of our local lodges. Our current bylaw (P.L. ART. 326) requires a fee of \$4 per social membership. In an effort to lessen our lodges' financial burdens, please follow the rebate program guidelines as described below:

1. Order your official, blank social cards at a cost of \$4 each from our office. The cards are user friendly and will require your local lodge to fill in the appropriate information.
2. The Grand Lodge will then reimburse your lodge \$2 per purchased card. Only one \$2 reimbursement, per card, per year. Depending on when cards are sold, reimbursements will be issued at the end of each quarter.

For example, your lodge wishes to order 20 social cards today. Your lodge will submit a check in the amount of \$80 (\$4 per card) made payable to 'Sons and Daughters of Italy'. The 20 social cards will then be distributed to your financial secretary. The Grand Lodge will send your lodge a refund check of \$40 (\$2 per card) after the quarter ends (early April in this case).

Please round up to multiples of 10 when ordering your official, social cards. Additional cards are readily available and can be ordered throughout the year. We ask that you please participate in this very important program that provides our social members with statewide recognition and insures that we legally abide with our bylaws. This program will continue on a quarterly basis throughout 2019.

Greetings Members and Convention attendees:

I hope this finds everyone well. As I write this article we are actively preparing for our 3rd biannual convention of our great organization, The Grand Lodge of Pennsylvania Sons and Daughters of Italy. Please allow me a few minutes to highlight some of what is planned so far.

The convention will be held at the Fraternal Order of Police (FOP) Lodge 5 which is located at 11630 Caroline Rd Phila, Pa. 19115. The facilities are second to none. Every event scheduled with the convention will take place on site, in one of the many rooms located there.

The convention begins June 19, 2019 and concludes with a formal dinner on June 21, 2019 . Many of the events will take place in the "Hero's Ballroom". Lunch and other events will be held in the Michael J. Lutz room . There is also a bar on site known as the 7C's Lounge.

I look forward to the convention. Now, I know some are thinking 'he must be crazy", but let me explain. The Convention allows us to come together as one and express our ideas to make this great organization even better than it already is. It is also a chance to spark some conversation about change within the organization. The Convention is a judgement free zone, it is a place for us to freely express our own thoughts and ideas on how to better our organization. Our main goal is growth, we want to be able to share the familial feeling being a part of this organization gives to us.

Scraping away the surface of ideas of betterment for this organization, lies a much deeper meaning of exactly what the Convention is about. It is about individual lodges coming together as a whole and expressing the history involved with each of our lodges. It is also places an emphasis on Italian culture, Italian history and the charity we do day in and day out.

Cost of the convention is comparable to prior conventions. To offset some of the costs of the convention, we had the idea of an ad-book. We are also scheduling different events for delegates and their families to explore our great city of Philadelphia and the Italian traditions and history that go along with that.

La mia Speranza è di vedere I delegati di ogni lodge insieme ai membri della famiglia, per permetterci di venire insieme come una grande famiglia.

ELECTION OF OFFICERS

*****Please contact the Grand Lodge office at 215-592-1713 for any forms mentioned in this article*****

Complying with the Bylaws of the Grand Lodge of Pennsylvania, election of officers for the filial lodges will be held during the month of MARCH 2019.

Nominations of officers should be held one month prior to the elections; or lodges may, by unanimous consent, hold nominations and elections in the same month.

Members of the lodge should be invited to a regular or special meeting during the month of March to carry out these elections for the biennium 2019-2021. Please be sure to follow the rules and procedures of our Bylaws to avoid any protests or recourse, keeping in mind the best interest of the Order and the welfare of your lodge.

Election of the officers who will comprise the administrative council of your lodge for the next two years is very important. Often officers are chosen who are unable to serve with diligence and enthusiasm. The Order needs officers who are willing to work for the lodge, who have the time and desire to attend meetings, and who are ready to give their cooperation for the continued good of the Sons and Daughters of Italy.

Our State Convention will be held June 19, 2019 through June 21, 2019. Your timeliness in returning required forms is imperative. We must receive the names of elected delegates as soon as available so that we can prepare the convention packets. The Recording Secretary of your lodge must complete and return the administrative council form to the Grand Lodge office by April 15, 2019. Please be sure that the name, address and telephone number are listed for each officer.

Any proposals for bylaw amendments should be forwarded to the attention of Maryann Nativio, State Recording Secretary, in care of the Grand Lodge office at least three months prior to the convention. This means that all proposals must be received on or before March 20, 2019.

Thank you for your cooperation.
Fraternally, Richard Barber, State President

In no case shall the amount of the fine be less than \$30.00.

A lodge may be excused from sanctions of this bylaw by submitting to the Grand Council a written and independently audited (State Trustee) financial statement which shall set forth the lodge's financial inability to comply or any other extenuating circumstances accepted by the Grand Council as reason for absence. All written requests for relief along with proper documentation must be received at the Grand Lodge office at least two weeks (14 days) prior to the next regularly scheduled meeting of the Executive Committee of the Grand Council to be considered.

TRIP TO ITALY WINNER

WHEN we were planning the Italy Trip Raffle, there were lengthy discussions on how the winner would be determined.

The two most obvious ways were to pick the number, randomly from the ticket stubs. In that version, we were going to disqualify officers from purchasing tickets so that everyone would feel comfortable that the winner was chosen fairly.

The second way, was for us to determine the winner based on the evening PA pick 3 daily number. That way, everyone on the organization could be involved, including the general public, all of the Grand Lodge officers and all Lodge Presidents.

As it turns out the pick 3 number was the best way to go because the winner of our 2019 Trip to Italy is State President, Richard Barber.

Congratulations President Barber!

We look forward to hearing your thoughts about having another trip to Italy raffle. Please email your thoughts to Joe Finio, joefinio@gmail.com or send your comments and suggestions, in writing directly to the Grand Lodge Office. Thank you!

November 2018

Dear School Principal:

The Grand Lodge of Pennsylvania, Sons and Daughters of Italy, will provide one scholarship per district of \$2,000 each to members who will complete high school at the end of the 2018-2019 school year and enter an undergraduate college program in the Fall of 2019. Many factors are reviewed in the grant awarding process. Key among the elements considered are:

- High School grade point average.
- Major subject marks received for the first semester of senior year.
- The difficulty of the high school subjects taken.
- SAT - Verbal and Math scores (ACT scores if SAT results are not available)
- **It is very important that all transcripts be submitted on time so the student stays eligible.**

Each applicant must submit a transcript bearing the high school's seal and the attached transcript supplement form also bearing the seal of the institution and signed by the principal. The transcript supplement form will assist the selection committee in assuring fairness when comparing academic histories.

Please submit all documents for the student to the above address. The forms must be received by **March 29, 2019** for the student to be considered for a grant.

Please accept our appreciation for your assistance in helping to identify scholarship recipients. You will be notified if the applicant will receive a scholarship. Notification will be sent prior to date of commencement so that you may add him/her to your commencement program.

Again, thank you for your assistance.

Sincerely yours,

Joyce Ruisi Chmel

President
Dante Commission on Education/Culture
